Thinking cap

Four-panel knit beanie - video-traced pattern

Print at 100% / Actual size.

A4 or US Letter. Turn off Fit to page and Shrink to fit.

Measure this square before cutting. Each side must be 50 mm.

Size	Head circumference shown in the tutorial
1	46-56 cm / 18-22 in
2	51-61 cm / 20-24 in
3	56-66 cm / 22-26 in
4	61-71 cm / 24-28 in

Cut four on the fold, with the stretch running across the head.

The cutting line includes 1/4 in (6.35 mm) seam allowance.

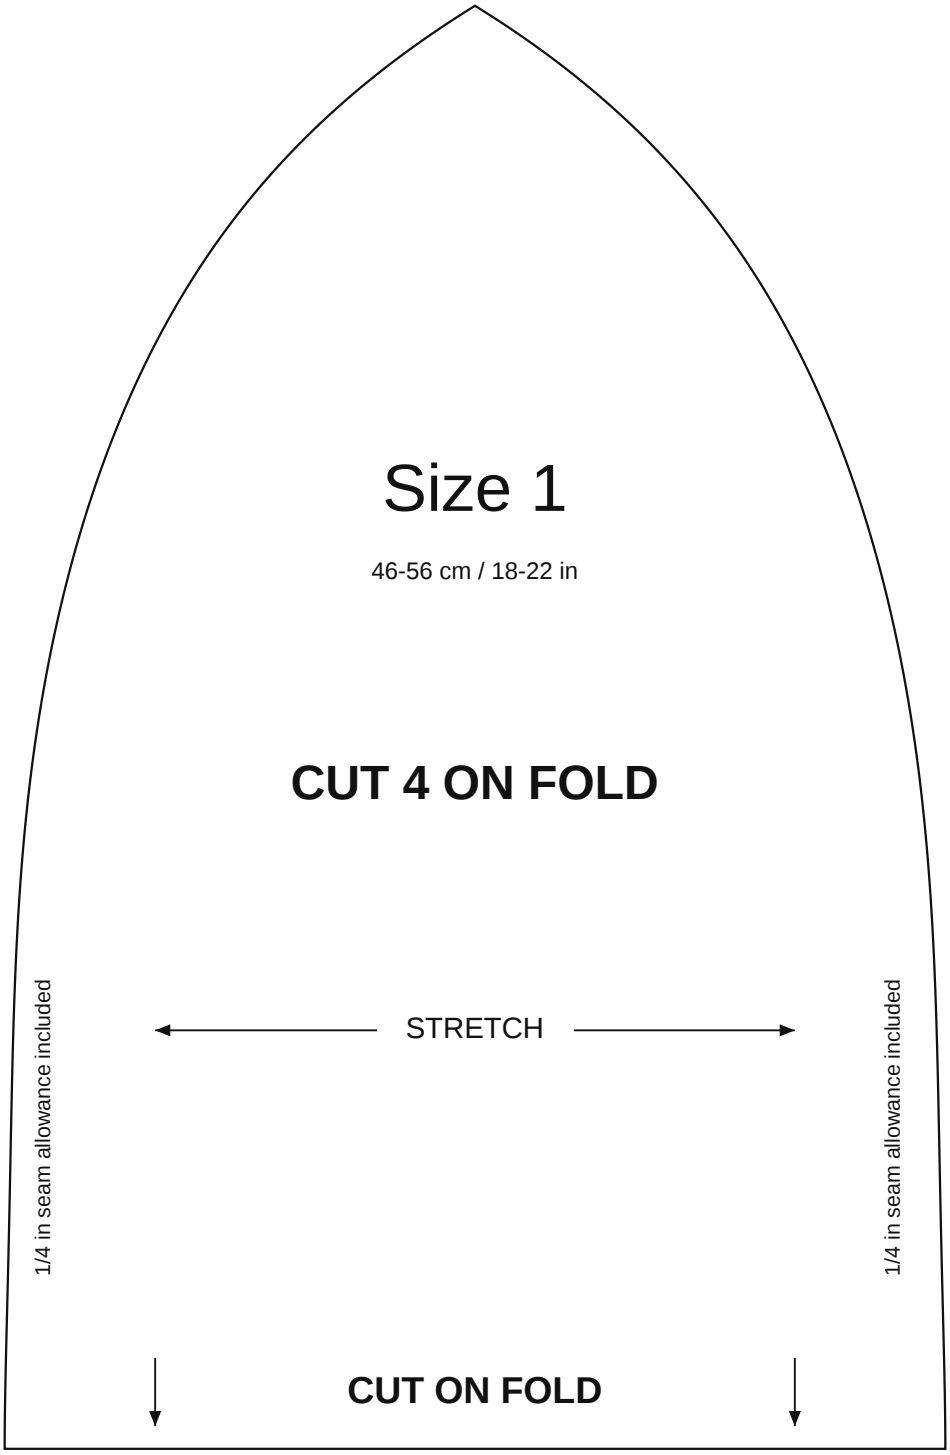

Measured from the cutting-mat grid in the video.

The cross-frame check varied by about 2%. Sew a test in your knit first.
